## KEVIN MORGAN EDITION TRANS AM

THE PHOENIX REPORT

*Kevin Morgan*

Kevin Morgan and Trans Am Depot unveil 2010 TRANS AM FIREHAWK TRIBUTE AT TRANS AM NATIONALS -

Read how a campfire photograph inspired the design of a car. See the artistic talent of famous painter Mike Lavelle, OF Killer Paint bring a Firehawk to life and view the revised and final Kevin Morgan designed Trans Am including the first ever Zeta platform GM car with t-tops at <http://www.transamdepot.com/firehawk.html>

Note: All design changes from previous Kevin Morgan prototype Trans Am's including the restyled rear-end, ground effects, interior appointments, t-tops and performance upgrades will be available for all Kevin Morgan designed Trans Am production cars beginning October 2010.

We are currently taking in cars for conversions and assisting our customers with new Camaro acquisitions through our dealer network. Financing is available through some dealers.
